**Part 2: Immunizations and Lab work to be completed by Healthcare Provider**

- Dates of both immunizations and titers must be provided for acceptance to clinical rotation.
- Titers are  PREFERRED  REQUIRED over immunizations (check one)
- Evidence of disease is not an acceptable method of immunity
- Only students registered at the Storrs Campus are eligible for services at Student Health Services

In addition to the basic requirements listed on the UConn Student Health Services Mandatory Health History Form, the following lab work is needed depending on the student's program and clinical site.

→ IgG Titers for  Measles,  Mumps,  Rubella,  Varicella,  Hepatitis B,  Polio

**A copy of the lab results must accompany this form. Tests done at UConn SHS can be obtained by going to <http://shs.uconn.edu/request-personal-health-info/>**
